#4 Arnold Mesches – Next In Line: The FBI Series @ Life on Mars Gallery (THU, 6-9PM)

56 Bogart St, Brooklyn, NY

Lauded for his show *The FBI Files* that debuted at MoMA PS1 and then began a national tour in 2005, [Life on Mars Gallery](#) now shows the work of celebrated and controversial artist Arnold Mesches. For years Mesches was watched by the FBI due to the cartoons that he drew for political magazines and newspapers, but it wasn't until a few years ago, when he requested his files through the Freedom of Information Act, that it was revealed that many of the people that the FBI was getting intelligence from happened to be his close friends, and even one of his lovers. Life on Mars will exhibit works from Mesches now infamous show, in which he creates collage comprised of clippings and personal photographs from this part of his life.
